

## Henry Kim – November 2017

I was referred to Tim by a close friend who could not say enough good things about him. After my initial meeting with Tim, I immediately felt comfortable and I knew he was my guy! He is very knowledgeable, confident, and kind hearted.

He handled all 3 of my accident claims and went above and beyond from what I expected from a lawyer. He took the time to get to know me and we share the same love for nature and animals.

I trust him wholeheartedly and have confidently recommended him to many.

Thanks for all that you do Tim! You're a good guy!!
